

Will we get an effective vaccine

Actually, we'll have several.

The vaccines we've all been waiting for will be here soon. They're effective and they're free. Using guidelines from the CDC, VDH will partner with providers to eventually make them available to everyone in Virginia. For the latest updates and all the important information of when, where, and how to get your free vaccine call **877-ASK-VDH3 (877-275-8343)** or visit **vdh.virginia.gov/covid-19-vaccine**.
